We need health professionals and non-health volunteers to serve children with deformities and eye problems, and rural patients through free operations, medical/dental services and training to medical staff. Registration is open until January 25th with Visa fee due immediately of \$225US. Landcost is due by February 3rd: \$1500 for the 2-week trip and \$900 for the group March 10-18. The Landcost includes transportation, accommodations & meals, and contribution to support services to patients. You will need to purchase airfare on your own, either through our recommended travel agency EZ Travel (714)539-8580 - ask for Christine ez-travel@sbcglobal.net- or your own agency.

Please inform if you can assist with supplies, and fundraising to serve the children and needy communities we will visit. Medical/dental/surgical supplies, stuffed animals and powder nutritional supplements and infant formulas will support our medical mission work.

Members and donors/sponsors will receive tax-deductible statements for their contributions.
